From

CampusLinx

About CampusLinx

CampusLinx

- An Initiative from **HarEngineer.com**
- Aims to bring organizations, educational institutes and students to one single platform
- The site is well equipped to market campuses in the best possible manner to the potential employers
- Organizes campus drives with multiple employers at your campus

Why CampusLinx

CampusLinx

- Increases campus placements
- Provides access to job searches posted at **CampusLinx** from recruiters/employers
- Increases visibility of your campus among recruiters
- Provides opportunity to share your placement brochure to recruiters
- Promotes your college profiles in recruiter / employers community
- Opportunity to place your students

Campus Recruitment Solutions

CampusLinx

- Colleges/Institutes showcase themselves in a section known as Campus List
- Institutes are classified according to category and city in the Campus List
- The Campuses can upload CV's of all students in the particular course category
- The CV's are accessible to the recruiters using the site through a specific login

Features

- Being a part of the **CampusLinx** your college is branded to all recruiters associated with **HarEngineer.com**
- Companies can see your college information, Placement brochure and contact details.
- Regular Job Alerts through E-mailers
- Student's profiles searchable by our recruiters
